*Awards and monies will be presented at the End of Year Award Banquet.*

### Participation Requirements & Rules

- A. SCAA rules and classes apply
- B. SC 3D Circuit members must join on or before the April 16<sup>th</sup> 2023 (this is the date of Sandune's 2<sup>nd</sup> SC Circuit tournament.)

# 2023 SC CIRCUIT CHAMPIONSHIP INFO

- C. To participate in the SC Circuit Championship, a 3D Circuit Championship entry form and appropriate fees must be submitted to the initial host club or the SCAA Secretary prior to the start of the shoot (a participant cannot sign up after the shoot and have it count towards the points championship total). Participant will receive a SC Circuit membership card and must present the card at each SC 3D Circuit shoot during registration.
1. A 3D Circuit member is not automatically an SCAA membership. In order to be qualified as **"The SCAA State 3D Champion" must be an SCAA/NFAA Member.**
  2. In order to be **the SC Circuit Champion ... only a SC Circuit membership is required**
  3. In other words, the SC 3D Circuit Champion and the SC 3D State Champion can be two different people or the same if that person is both an SCAA member and a SC Circuit member.
- D. SCAA has a speed rule of a maximum of 300 fps with a 3% variance. All 3D Circuit Championship shooters must be prepared to shoot through a chronograph. A disqualification of tournament score will result if a competitor shoots over the maximum speed after beginning the tournament. (excludes Known 40 Outlaw.)
- E. It is the SC Circuit competitor's job to ensure he/she shoots in a group with at least 3 adults. These adults do not need to be 3D circuit competitors. SCAA defines an adult as a competitor that is 18 years old or older. Clubs' may make exceptions to this rule on a case-by-case basis due to limited number of shooters.
- F. Club Circuit Tournaments will be casual registration. However, the final 3D Championship tournament will be a shotgun start at 10AM.
- G. Tournaments are open to any registered archer. Circuit and non-circuit archers will compete in the same class as registered.
- H. A SC Circuit competitor may only participate in one class for the Circuit Championship. The class shall be identified on the SC Circuit registration/ membership card. The competitor may shoot another class during any club tournament but the score in the other class will not count towards the Circuit Championship points total.
- A. **Move Up Rule for Men's Bow Novice**- (This rule does not apply to the Women's Bowhunter Novice)
- B. The past State 3D, 3D Circuit, Regional, OR SOY champions in the Bowhunter Novice class must move up to a higher class. He will be ineligible to compete in any of these competitions in the Bowhunter Novice class.
